Dear The Federal Communications Commission,

Congratulations on your appointment to Chair the FCC. In your new leadership role, I urge you to support the "Fair Share Plan" as a solution to current concerns with the Universal Service Fund (USF).

I need NO MORE TAXES for using a phone and recently purchased a TracFone for that reason.

If government needs more money to opperate I suggest elected members begin twisting george Bush's arm to end our expensive occupation of Iraq and DO NOT ALLOW him to begin a war with any other countries.
